

M. KANISHKARAN

UI/UX Designer | Preferred: Product Designer

Wattala, Sri Lanka | +94 77 268 6215 | kanishkaranmathi@gmail.com | [LinkedIn](#)

PROFILE

UI/UX Designer and Front-End Developer with 2+ years of experience designing and developing user-centered web applications across the full product lifecycle. Skilled in Figma, Adobe XD, and modern web technologies (HTML, CSS, JavaScript, PHP). Strong foundation in usability, accessibility, responsive design, and Agile collaboration. Currently expanding expertise in development alongside design. Seeking to pursue a Master's in Gaming & AI Design and Development in Germany.

WORK EXPERIENCE

UI/UX Designer | TechMantra Global 2025 – Present

- Design intuitive web interfaces; create wireframes, prototypes, and design systems in Figma
- Collaborate with developers and stakeholders in Agile teams

UI/UX Designer & Developer | Freelance 2023 – 2025

- Designed and developed responsive web applications; translated user requirements into functional UI
- Front-end implementation using HTML, CSS, JavaScript, and back-end with PHP
- Research, prototyping, and front-end development
